

Wish Expert

Department: Wish, Operations, Marketing and Development

Scope of Position

Taking a wish to the next level requires community involvement and resources. As a Wish Expert, you receive occasional emails from the Make-A-Wish staff indicating a specific request to make a Wish Child's experience even more special. This volunteer opportunity is great if you find yourself saying, "I know people." Wish Experts enjoy playing matchmaker by connecting chapter staff to the appropriate experts and facilitating an introduction. These experts could be friends of yours, community leaders that you know, or businesses that you think would be excited to lend their expertise to a wish.

Key Responsibilities

- ★ Liaison between Make-A-Wish and the known expert/business
- ★ Willing to connect a staff member to someone you know who impacts a wish by taking it to the next level
- ★ Provide a resource for a specific request – details provided by staff in advance
- ★ Respond to occasional emails from Make-A-Wish with which you can assist

This Position Is Right for You If...
