

THE CRISS ANGEL MAGIC WAND

Criss Angel is more than one of the world's greatest illusionists. He is also one of Make-A-Wish® Southern Nevada's greatest advocates. He wows audiences every night right here in Las Vegas, but what you may not know is that behind the scenes Criss is making magic happen for hundreds of kids battling life-threatening conditions.

To date Criss has granted 49 wishes to kids around the globe whose one true wish is to meet him. He has also donated nearly \$180,000 to Make-A-Wish Southern Nevada, and that generosity has supported more than 100 wishes.

On September 12, 2016 during the Johnny Christopher HELP event, we presented Criss with an award of his own: The Criss Angel Magic Wand. We wanted to honor his magical influence with something that represents what he helps us do for so many children—make wishes magically appear.

Now The Criss Angel Magic Wand Award is presented by Criss to a Make-A-Wish volunteer who embodies that same giving spirit.
